# TRINKY

VISUAL IDENTITY / VERSION 1.0

## PRIMARY LOCKUP

Full-color artwork on light backgrounds. Preserve proportions and spacing.

## OFFICIAL PALETTE

| Midnight Plum | Signal Orange | Volt Lime | Chalk |
|---|---|---|---|
| #21112F | #F35A28 | #C5F04A | #F3F2EE |

## USAGE RULES

- Use the supplied SVG masters; do not redraw or stretch the logo.
- Keep clear space around the lockup; start with at least the height of the tagline.
- Avoid placing the full lockup so small that the tagline becomes illegible.
- Use the symbol-only version for very small applications and favicons.
- Use reversed artwork on dark backgrounds; verify contrast before production.

SOURCE: Approved combined master assembled from the Inkscape vector artwork.
Final supplier proof and small-size print tests are recommended before production.

# LOGO VARIATIONS

**FULL COLOR / LIGHT**

**REVERSED / DARK**

## Production notes

All supplied SVGs are path-based and contain no embedded bitmap or live text.

Colors and geometry derive from the approved combined master.

Minor existing path irregularities are not automatically repaired by export.
